### **Review Summary of 2020:**

In 2020, the Department of Human Resources undertook a significant role in the COVID-19 response. While a pandemic was unanticipated, the department was very proactive in COOP planning over the years leading up to the Governor's "Stay Home, Stay Safe" directive. DHR had in place the following initiatives: identifying and providing access to state networks outside of the physical state buildings; early adoption of the Microsoft Teams platform; and providing people with laptops for access from off state premises. This proactive approach allowed the department to adapt very quickly to working remotely which better prepared DHR to support the rest of state government in these unprecedented times.

### COVID-19 Support:

- Created a COVID-19 informational website page for state employees. Identified and shared online trainings focused on wellness, remote ergonomics, and remote work tips.
- Supported the Department of Labor in their hiring efforts.
- Participated in and Provided support to the State Emergency Operations Center.
  - Supported redeployment of state personnel to other state agencies/departments.
  - Provided resources to schedule appointments for food distribution to Vermonters in need.
  - Provided resources to assist in scheduling COVID-19 test appointments.
- Successfully negotiated pandemic-related adjustments to collective bargaining agreements with the VSEA and VTA.
- Supported new pandemic related leave programs through the VTHR system as well as the Leave Management Unit.
- Workforce surveys to identify employee feedback about working remotely.
- Temporarily adjusted certain health plan and flexible spending plan benefits provisions to accommodate issues related to the COVID-19 emergency.

Several DHR divisions collaborate each year to develop and distribute the Employee Engagement Survey. After all the responses are gathered, interpreted, and tabulated, the team prepares and presents the data to Executive Branch Appointing Authorities. Along with the raw results, DHR Managers provide their findings and recommendations on courses of action to leadership.

Through the combined efforts of DHR, VTHR, and ADS, the online open enrollment process was improved in 2020 to allow for a more streamlined online option for employees to adjust or enroll in benefits during the annual benefits open enrollment period. The department continues its efforts to enhance the online open enrollment in its continuous improvement efforts.

To provide a workplace free from harassment the Workforce Development Division continued the rollout of:

- The 'Preventing and Addressing Sexual Harassment' (PASH) training to all state employees. To date, 10,071 state employees received the training. The class is required of all new employees effective August 19, 2019.
- The "Civility and Unconscious Bias in the Workplace" class, adapted from the work of AOT Civil Rights and the Human Rights Commission is required training for all new employees, per mandate of the Secretary of Administration, effective August 19, 2019. The class focuses on helping participants learn to question their assumptions and keep unconscious biases in check for a better functioning and more respectful workplace.

Successfully negotiated successor 2-year collective bargaining agreements at the table, without going to impasse as happened the prior two times.

### Summary

The Department of Human Resources continues to strive to provide Vermonters with a State workforce that sets the standard for excellence. Building a culture of excellence through a qualified, inclusive, diverse, and healthy workforce is key to the effective and efficient delivery of services, which Vermonters should expect and rightly deserve. The Department of Human Resources is proud to be entrusted with this mission.
