Monthly Revenue Release Agency of Administration June 16, 2021

Montpelier, VT - Secretary of Administration Susanne Young releases Vermont's revenue results for May 2021. General, Education, and Transportation Fund revenues came in above target.

Revenue collections for the month of May 2021 have been compiled. The State's General Fund, Transportation Fund, and Education Fund receipts were a combined \$116.5 million, or 76.3% above monthly consensus expectations from the January 19, 2021 upgraded consensus revenue forecast.

General Fund revenues collected for the month totaled \$192.8 million, or \$106.2 million above the monthly consensus revenue target. "This monthly revenue performance reflects the delay in the regular filing and payment date for the Personal Income Tax due to the extension of the filing deadline from April to May. The IRS announced the delay after the January forecast was adopted by the Emergency Board," explained Secretary Young.

General Fund revenues year-to-date are \$164.4 million, or 10.1% above the cumulative revenue target, and already exceed the consensus forecast for fiscal year 2021 by \$32.0 million. "General Fund revenue received for the month of June will now add to the general fund surplus at the 2021 fiscal year end," stated Young. "We are optimistic that the one-time appropriations in the recently enacted budget that were contingent upon anticipated surplus will be fully funded, including \$11 million for brownfields remediation, \$8.82 million for economic development, \$40 million for housing and conservation, and \$23.18 million for state technology modernization."

The Transportation Fund was \$1.27 million, or 5.34%, above consensus expectations for the month, bringing in \$25.12 million. Cumulatively in fiscal year 2021, the Transportation Fund receipts total \$252.7 million, up 2.62% from cumulative consensus expectations.

The Education Fund was \$9.09 million, or 21.5%, above the monthly consensus target, having collected \$51.3 million for the month. Cumulatively in fiscal year 2021, the Education Fund receipts totaled \$26.7 million, or 4.97%, more than cumulative consensus expectations from January.

"Several factors continue to boost receipts in the State's three major funds: the extraordinary influx of Federal pandemic assistance and other aid, more Vermonters getting vaccinated each day, and rising consumer confidence," noted Secretary Young. "Based on revenue receipts received thus far this fiscal year, we expect that final total revenues at the end of June for the General, Transportation, and Education Funds will significantly exceed expectations for fiscal year 2021."
